ABOUT ELIZABETH

BIOGRAPHY

Elizabeth Meigs, #1 Best Selling Author, Miracle Power™ Coach, and keynote speaker, is a powerful voice of hope and healing for those navigating life's hardest moments.

Born and raised in a small town in Southeast Kansas, her world changed forever after a life-altering car accident just one week into high school. What could have been the end became the beginning of a new calling.

Now, through her signature resilience strategies and Spirit-led coaching, Elizabeth equips others to reclaim peace, rise in purpose, and live fully healed—mind, body, and soul. Guided by the transformative power of hope, her mission is to empower individuals on their wellness journey, fostering Healing that Opens Pathways to Empowerment (H.O.P.E).

She shares practical tools and divine insight with authenticity and authority, helping others recover from trauma, burnout, and setbacks of every kind. Whether overcoming loss, pain, or personal struggle, Elizabeth offers more than inspiration —she offers a path forward.

With deep gratitude, Elizabeth continues to walk boldly through doors God opens, knowing He still offers the same healing today that she experienced. She is honored to be His vessel and to serve others through her voice, her story, and her God-given purpose.

TESTIMONIALS

"inspirational and motivating..."

Steve Lester

I have had the pleasure of hearing Elizabeth share her very inspiring story on at least three occasions. I am also blessed to call her my friend for the last two-plus years and the coming years ahead. Her life story is a celebration of what is possible when your faith in God and your dreams takes charge of your daily life and future. I highly encourage you and your organization to invite Elizabeth to speak and share her amazing and inspiring story.
